Re: *Network Appliance, Inc. v. Sun Microsystems, Inc.*
Case No. C-07-06053 EDL

Dear Judge Laporte:

I write concerning the page limits for opening claim construction briefs in the NetApp v. Sun case.

For the same reasons set forth in Sun's letter request, NetApp respectfully requests an increase in the page limit for its Opening Claim Construction brief. Although NetApp believes that 30-35 pages is likely sufficient, the scope of issues to be addressed by each party is roughly the same, and the parties' respective page limits should therefore be equal. In light of the above, NetApp respectfully requests that the Court permit NetApp to file a 45-page Opening Brief.

Respectfully,

Edward R. Reines
